STAND OUT IN A SEA OF CHOICES

Since its inception, **REGUPOL** has challenged the industry to think bigger and go further—in style, innovation, design, and performance. With **revolution**, the company is once again elevating this philosophy to deliver a rubber floor with looks designers and architects want, with the performance they need.

The **revolution** collection blends shredded and cleaned post-consumer tire rubber, vibrant marbleized chips, and a low VOC binder to create a smooth, sleek resilient floor in 25 standard color combinations. Available in looks inspired by refined marbles and precious stones to eye-catching, colorful textiles.
